Dear Ms. Denton:

The Communications Workers of America stands ready to negotiate with representatives designated by the State of Missouri to reach a new agreement with the Department of Social Services.

We are available to meet any date and time in October, with the exception of October 14 & 25, 2007, to reach an agreement prior to the imposed deadline by the State of Missouri of November 1, 2007.

I can be reached on my cell phone, to discuss dates, times and locations for negotiations.

Sincerely,

Tom Newport
District Organizing Coordinator
